

# Doors of Lacombe and District Hospital to be Closed For Ten Days

## G. Edginton Resigns As Boy Scoutmaster

G. Edginton, who was responsible for the formation of a Boy Scout Troop in Lacombe over a year ago, resigned as Scoutmaster at a meeting of the organization held last week. Mr. Edginton, who is to be succeeded by Fred Mast, gave as his reason for resigning the inconvenient working hours which he has and the impossibility of giving the proper amount of time to the Scout Troop. He will, however, retain an honorary position and will work for the Scouts in an advisory capacity.

Outside of the elevation of Fred Mast from Assistant Scoutmaster to Scoutmaster, no change has been made in the executive of the Boy Scout Troop. A. Newman remains as president, T. W. H. Lewis is president of the Lacombe District, with Frank Mast as vice-president. The executive committee is the same, and consists of Mr. Frank Mast, Mrs. Walter Butlin, Rev. W. E. Herbert, H. E. Wilson and Mrs. G. Edginton, secretary-treasurer.

## Funeral Services Held Friday Afternoon For J. Pangman

Funeral services were held for Jerry Pangman, 74-year-old resident of this district, on Friday afternoon. Mr. Pangman died in the local hospital after a serious illness on Thursday morning.

Funeral services, arranged by the Lacombe Funeral Home, were held from the Canadian Junior College Chapel, and interment was made at the local cemetery.

Mr. Pangman was born in Ontario and left there at an early age for the west, settling first in Manitoba, where he was one of that province's pioneers. About 20 years ago he moved to this district, settling in Rosedale Valley, where he has lived since.

The summers he spent farming in Kerrobert, Sask., coming back to his home for the winter months.

He leaves to mourn his loss, besides his wife, seven children: Mrs. B. Martin, Susan, River, Man.; Wallace, Kerrobert; Pearl, Glendale, Calif.; Russell, Chicago; Mrs. D. Lempe, Chicago; Dr. John, El Paso, Texas, and Oliver of Lacombe.

Palbearers at the funeral were E. Leach, C. Shankle, M. Philbrick, F. O. Jones, H. Casey and A. Osterkamp.

## Mortgage and Notes Burned as Anglican Parishioners Meet

A very interesting event took place on Friday last in St. Cyril's Hall, after the parishioners had held their quarterly meeting, which was attended by over sixty people. Immediately the meeting had adjourned, the two wardens, A. T. Inkilp and A. Newman, touched a match to "Paid in Full" receipts for money loaned to the church during reconstruction in 1935. While the note was burning the parishioners stood and sang the Doxology with great feeling.

Following this, the Men's Club were hosts to the Parish, with a Pork and Bean Feed, topped off with pie a la mode. Later a short entertainment was given, featured by two stirring recitations by Norman Glasgow, with another of a humorous nature by Mrs. Henry Lewis. Jack Roberts also gave a song introducing all the prominent names of the Boer War. Mrs. Henry Lewis led the community singing and directed the songs sung by the children.

## This Week's Thought

The reward is in keeping the commitments, not in keeping them.

## Contents of Building to Be Fumigated and Sterilized

The Lacombe and District Community Hospital is to be closed for a short time, during which period the entire contents of the building will be fumigated, disinfected and sterilized. This decision was reached by the Hospital Board after consultation with Dr. M. R. Bow, Deputy Minister of Public Health. It is planned to evacuate the hospital by the end of this week and work is expected to get under way immediately. Hospital Board members hope to have the hospital operating again by April 20.

Mattresses, bedding, pillows, etc., are all being shipped to Ponoka, where they will be sterilized by the sterilization plant at the mental institute at that point. All beds, furniture, woodwork and walls will be sprayed and washed with a disinfectant solution.

Plans are being made to keep the basement ward, which has not yet been in use, open for serious emergency cases, and it is extremely unlikely that the old hospital building will be reopened.

The reason for the closing of the Hospital is best given in the statement made by the Hospital Board:

### Hospital Board Statement

"Owing to the large number of cases of septic sore throat admitted to the hospital during the three months just past, the Board of Management, after consultation with the local physicians and Dr. Malcolm R. Bow, Deputy Minister of Health for the Province, have decided, in the interests of sanitation and public health in our community, to close the hospital to all except emergency cases for a period of ten days, during which the building will be thoroughly disinfected and all mattresses and linen sterilized. It is an undertaking that the hospital board can ill afford at this time but, in keeping with its policy to provide the citizens of this district and those resident in the surrounding municipalities under agreement with the highest type of hospital care and management, it has been decided to commence the work as soon as the patients now in the institution can be discharged and the building vacated.

"It is expected that the work will commence on Saturday, April 9th, and the hospital re-opened not later than April 20th."

## One Time Lacombeite Fighting in Spain

Writing to his friend, J. H. Pountney, Owen "Scotty" Darby, one-time resident of Lacombe, when he was an employee of the Lacombe Nurseries, and who is now fighting with the Loyalist forces in Spain, with a number of other Canadians, gives some of his experiences in that war-torn country. At the time of writing he was still in the confirmed opinion that General Franco and his insurgent forces would never conquer Spain, and gives a vivid description of the air bombing of Teruel after the Loyalist forces had captured it from the insurgents.

He stated "they are still eating good, and get the occasional smoke," and the troops he is with are in high spirits generally. He goes on to say that had Mussolini and Hitler kept out of it, it would have been a "cake walk."

"You may hear over the radio," he says, "that the Government forces are all in. I can't see it that way."

## J. M. Southward and Family Honored at Farewell Party

(From Our Own Correspondent)

SPRUCVILLE.—A number of friends and neighbors gathered together in the Hall on Monday night to honor Mr. and Mrs. J. M. Southward and family with a farewell party. Despite inclement weather and bad roads, many made the effort. Cards were played for the first two hours, after which a very pleasant ceremony took place, giving the Southward family seats of honor. Mr. Proudfoot spoke very ably and at length on the 25 years the family had lived in the district. He enumerated the positions Mr. Southward had held as councillor, first U.F.A. president, etc. Then, passing on, he paid graceful tribute to Mrs. Southward and her work and influence in the neighborhood.

Mr. Proudfoot extolled the girls, Jean and Rosalie, and the absent Harry. He "spoke of what he knew," both families having been brought up in such close proximity and harmony. Mr. Proudfoot then called on Mrs. Heath, president of the U.F.A., to present the offering of the community. This took the form of a very beautiful pair of fancy woolen blankets, which should be of great service in the South-western climate in the Peace River district.

Mr. Proudfoot then called on Frank Rice, president of the Junior U.F.A., to make Jean a presentation, this being a "back rite" salsuete. Rosalie then was presented, by Amy Hutchison on behalf of the young folk of the neighborhood, with a dark blue handbag.

Mr. Southward replied briefly on behalf of his wife and himself, praising the Spruceville District as one of the best districts he knew. Both the girls made short, graceful acknowledgments of their gifts. Everyone then joined hands about the hall and sang "Auld Lang Syne."

After the singing, Mrs. Southward and family were escorted to the door by a large number of friends.

After the party, a large number of friends gathered in the hall for a social hour, and many thanks were expressed to the Southward family for their long and successful residence in the district.

## Eleven Year Old Local Girl Raises Grand Champion Calf

Alberta May Henderson, daughter of Mr. and Mrs. Sam Henderson of Lacombe, raised the prize winning heifer shown above. The calf won first in

the Boys' and Girls' Aberdeen Angus class, and won Grand Championship over all other entries at the Calgary Stock Show last week. The calf

brought the highest price paid in five years for Alberta fat stock show animals, and was purchased by T. Eaton Company for \$140 per pound.

## Stores Open All Day Wednesday, April 13

Shoppers are asked to note that all stores and places of business in Lacombe will be open all day next Wednesday. The ordinary Wednesday half-holiday will not be observed because of Good Friday, April 15, being a Dominion holiday.

## Dr. MacLean Shows Films On First-Aid To Boy Scouts

Dr. MacLean of the Red Deer Health Unit showed several reels on Home Nursing and First-Aid to a gathering of the local corps of Cubs and Boy Scouts in St. Cyril's Anglican Church Tuesday evening. Films included several methods of carrying injured persons and a simple first-aid measure also the care of a patient in the home. Dr. MacLean was introduced by Rev. W. E. Herbert, who also extended a vote of thanks to the speaker at the conclusion of the program.

## Dr. McCullough Addresses W. I.

Choosing as his subject the prevention and control of mental deficiency, with special reference to sterilization, Dr. D. M. McCullough of the Provincial Training School at Red Deer, was an interesting speaker at a public meeting sponsored by the Women's Institute on Wednesday evening, April 6. Mental deficiency, said Dr. McCullough, is not always a result of heredity, but accidents are the cause of about 20 per cent of those afflicted.

There are, according to calculations, about 80,000 mental defectives in Canada and 6000 in Alberta. The law allows the use of sterilization in the case of idiots and imbeciles without their consent, but in the case of those classified as morons, of which it is estimated there are over 4000 in the Province, consent must be obtained.

At present, stated the speaker, there is need of a good public health program, of locating and giving proper training to mental defectives, and of legislation covering sterilization with which to prevent these unfortunate children. There is need for parent study groups and for mental hygiene groups.

On display was a beautiful wool filled quilt of star design, made by the W.I. members, on which they are selling tickets.

The Y.P.S. held their fortnightly gathering but due to inclement weather very few of the country members showed up.

The big snow also kept the local amateur entertainers at home from the talent search at Aliv, so it looks as though none from our midst will be going into the movies or on the stage from here this year.

## Local Girl Cops Grand Championship at Calgary Spring Stock Show

Entries from Lacombe far exceeded in the Aberdeen Angus class at the annual Calgary Bull and Stock Show, held last week. Alberta May Henderson walked away from all contributors in the Angus class with her 600-lb. heifer calf being chosen as Grand Champion. When contacted by a representative of the Western Globe, Miss Henderson said, "I was lucky, but I'm going to keep right on winning. I had a better calf entered in this sale than the one which I entered in the Lacombe-Red Deer Calf Show held last fall."

Thomas Henderson and Sons, also of Lacombe, won first in the open class and reserve Grand Championship with their entry of an Aberdeen-Angus steer.

J. H. Roper placed second in the open class of the Hereford division with a steer. Colts sired by the Lacombe Dominion Experimental station station Strathmore had won seconds in the two-year-old Clydesdale stallion class, in the station foal class and in the fully foal class. The colts were entered by contributors from Calgary.

"There was a lovely bunch of bulls and farm animals entered in the sale," said H. E. Wilson, secretary of the Aberdeen Angus Association of Alberta. The sale was entered by contributors from Calgary.

## Safeguarding Public Health

MEMBERS of the Lacombe and District Community Hospital Board believe that an ounce of prevention is worth a pound of cure. This is shown by their recent action in closing the new hospital for a short time for fumigation and sterilization purposes. The decision was reached after consultation with Dr. M. R. Bow, Deputy Minister of Public Health, and the local doctors. The presence of septic throat germs and the possible presence of other germs was discovered, and the Board immediately decided to close the hospital for a complete sterilization and fumigation of all contents.

The Hospital Board personnel, by their action, have shown their willingness to place the safeguarding of public health above all other things. It would have been easy for them to have said nothing and continued to operate as usual. Their decision, took courage, and although criticism will undoubtedly follow, they took the correct way out of their difficulties.

The Board is to be congratulated on its foresight in stamping out the possibility of infection among the patients now in the hospital and among those to come in future months. The institution will be stronger for this decision.

## Suffering in Silence

THE Rowell Commission has finished its sittings in Edmonton. During the past two weeks evidence and briefs have been submitted, pointing out some of the Province's grave troubles and difficulties. Whether any good will come from the sittings of this commission is for the future to decide, but assuredly no harm can come from an investigation such as this.

The biggest disappointment to the citizens of the Province has been the Government's attitude towards this investigation. During all the days of these submissions, the Provincial Government sat by, silent. Premier Aberhart and his Government refused to submit a brief, refusing, at the same time to answer certain questions referred to them by the commission chairman. The Premier, however, did state that the Province would forward "a comprehensive brief directly to the Federal Government."

This attitude seems odd in one who has complained so bitterly in the past of lack of co-operation. Premier Aberhart has his grievances. His very platform and election was based upon these grievances. He has complained of the present economic order and promised to revise it. He has attacked the Dominion Governments and banks on their stand, of the past two years. He has slashed and picked to pieces the British North America Act, which is the basis of the Canadian Constitution. Why, then, did he not submit some of these grievances to a commission which was set up for the express purpose of attempting to solve problems such as these which are facing Canada and her provinces?

But no! Premier Aberhart opposed the setting up of this commission, and for this reason, and apparently this reason alone, Alberta and her citizens cannot avail themselves of the benefits to be derived from this investigation.

## A Farical Election

ALL Austria goes to the polls on Sunday to decide whether or not it wishes to join Germany in government, economic and social control. Hitler makes a grand gesture when he asks the people of a country which he already has under perfect control to vote the way they wish. The ballots are prepared, and are said to have the name of Adolf Hitler in large type, with the space for a vote against the present regime so small as to be almost negligible.

It is also to be borne in mind that members of the dreaded and infamous Gestapo, those secret police who work in the dark to keep down opposition to the Hitler regime, will be present at the polls to "oversee" the voting. Unhappy will be the Austrian who dares to vote against the large and meretricious combination at the head of which stands the father of modern Germany. No doubt any linger in the minds of any regarding the outcome of the vote. It will be but a repetition of the vote in Germany in 1933 and the plebiscite held in the Saar Valley in 1935.

Such is the ideal democratic life under which Germans live today, and such is the support that Hitler receives which gives him assurance and heart to say that when he speaks or acts, he is speaking and acting to put into effect "the will of the people."

Fellow's Social Credit Band is improving rapidly in Edmonton. Many Albertans are now waiting for them to play "The Dividend Waltz."

## Through the Eyes of a Country Woman

By BRIDGET

Although the results of the last Irish Sweepstakes have been published and many dreams have not come true, the subject of "Sweeps" is quite a live one in view of recent legislation in Ontario. The editorial published in this paper last week was so uncomplimentarily in favor of them that I felt that perhaps a little investigation into the pros and cons of lotteries would not come amiss at this juncture. I would like to point out though, that Mr. Editor made quite a slip, when he called the Grand National the "last" sweepstake of the year. What about the big sweep the Irish run on the Derby? This was the first they ran, and is an imitation of the big but exclusive "Gallop Sweep," run by the Coleraine Turf Club. There is also another "Irish Sweep"—in the fall—on the Casarawitch. So I'd hardly call this sweep the last, but rather the first, of the year.

In the press lately, the clergy have been criticized for their attitude toward sweeps, which has been mainly on the negative side; the Church, and many others, arguing that legalized gambling will be detrimental to the morals of Canadians. Surely Canadians don't need to be morally educated to this degree? Anyone who wants to gamble will gamble despite the strictest legislation passed to safeguard them.

No one would try to defend gambling in toto; but what harm gambling does rests with each individual. He should have sense and resistance enough to stop when he has lost all he can lose without hurting those who are dependent on him. It seems to me that a lot of legislation could be avoided if only we knew "when to quit"; if we only learned that the greatest sin in the world is excess—excess in anything. To say "No" is so difficult.

To return to lotteries, no one can deny that a huge amount of money goes out of this country for sweepstake tickets. These millions go to a country which, to all intents and purposes, has repudiated our common Mother Country. No preference is given to Canada for all the wealth Canadiana pour into Ireland's lap. This is no wonder, as the whole world is doing the same thing. Why? Just because everyone hopes to get something for practically nothing. The odds are huge, but what dreams a "sweep" ticket can evoke. So, the conclusion is self-evident—as long as Ireland runs a sweepstake and Canada does not, the money will continue to pour across the Atlantic. Why can't some far-seeing Canadian reverse the position, and turn these vast sums towards Canada? It is not impossible. A percentage, too small, goes to the Dublin Hospitals, why shouldn't we support home hospitals in the same manner?

To condemn "sweeps" and then buy a ticket on a pool raffled for a hospital, or other charitable object, is really hypocritical; they are both gambling, just as surely as is the five-cent "bran clip" run at the church entertainment, or the like. They may be poles apart, but the intent and general purpose are the same. It is human nature to want to get something for nothing, and law—a thing which never stops it (nor will it ever give it).

This Province, apparently, is in dire need of money; why not issue Lottery Bonds? Many countries in the world (the list is too long to give) issue these. A certain number are drawn every year, and carry a premium, and the element of gambling makes them an acceptable proposition. Much as I wonder that I think seriously that this Province could sell a bond to anybody. The Province must, however, be in dreadful need of money; wide the omission to provide for the upkeep of Government House; one must not attribute this to a desire "to get back at" the Lieutenant-Governor. That would be unthinkable. Much as I wonder that I think Lieutenant-Governor is necessary this certainly looks like a very back-handed method of telling him so. It is rather on a par with what the Eskimos do to those who are old, or who have outgrown their usefulness—turn them loose to get rid of themselves.

## Play Ball!

THE surest sign that Spring is on the way is seen daily on the Sport Pages of the city papers. Columns and columns of reading material have been offered subscribers regarding vital questions. The New York Yankees repeat? Can the Detroit Tigers down the slugging McCarthyman? How will Dizzy Dean perform this coming season? Upon the answers to these questions, and a thousand more like them, the fate of the sporting world leans.

But these questions are of importance to everyone. They show beyond a doubt that winter hockey in Canada, too, sign a death warrant to Old Man Winter of 37-38, just as surely as does the calendar.

Each year at this time, sports writers from all over the continent write reams of copy regarding baseball, declaring that this season will be a great failure and reams of copy which they give. Another writer gives an exactly opposite opinion. In any case, both of them will probably be wrong. Nobody cares, so "Play Ball," and hurrah for the Spring!

UNDISTURBED  
The vacuum cleaner salesman who had an appointment found the lady of the house unable to keep it. He suggested tomorrow.

"That's my busy day," she said. "If you call then, you will find me in a whirligig."

"That won't worry me, madam," he said, "my last customer was in a kimono."

"Mamma, did you love to flirt when you were young?"

"I'm afraid I did, dear."

"And were you punished for it, mamma?"

"Cruelly, dear. I married your father."

## "Cook-ee"

(Helper in a Rocky Mountain lumber camp writes to her chum in the city).

By VIOLA MACDONALD

Rocky Mountain Lumber Camp, Jan. 20, 1938.

Dear Naomi.—Well, here's the rest of the story about the dance. Harry is a lovely dancer and while we were waiting, he asked me if I would like to come over, to see what progress he had made with the new house. So this afternoon, after the dishes had been washed, we walked out to the edge of the clearing, expecting that we would probably have to knock-knock to get in, but when there, we found that all they have done is been the virgin logs for the cabin. He has a sort of planned out, though, and the foundation laid—and he asked us what we thought of it. Cook thought it was perfect, but I suggested that the living room might be bigger and that he could build a fireplace, or at least leave a space where one could be put in later on. Harry agreed with me and decided, on the spot, to build the fireplace.

The girl he is going to marry will be like the heroine of Laverne and Old Lace—her strong, and sinewy, hard-working husband will feel the mighty trees of the forest to build for her a little home. I suppose, also, just to make it too, too perfect—he'll carry her over the threshold, after the wedding. (It's an old Sabatini custom.)

What she's really like? I certainly don't ever hear, coming away out here to spend the rest of her days, in the timber. As for me, as soon as camp breaks up, I'm hitting for the bright lights—even though they are only the street lamps on Grand St., Lacombe—and as for trees, I like them alright, but I'll take mine along Barnett Lake.

I hope for Harry's sake that his wife is a good cook—because sure likes nice things to eat. I've learned to bake pies, and cakes and cookies, and Harry says they are the best he ever ate.

Good gracious! This has been a long letter—I hope I can get it mailed.

Your old pal, ANNE.

Amateur boxers

To Meet in Ponoka

Amateur boxers from Central Alberta will gather for the annual Provincial Amateur Boxing Championships, which will be held in Ponoka on Wednesday, April 20. There will be Junior, Novice and Open Classes, which will take in weights of from 70 pounds up to heavyweights.

Amateur boxers resident in Red Deer, to the east and west of that town, and to the north are eligible to enter in these contests. Entrants must be in possession of 1937-38 amateur cards before their entry will be acceptable. Application forms will be furnished upon request to R. W. Bellamy, Wetaskiwin.

## Do You Know?

MRS. A. GRANT,

who moved to the Milton School District in 1897.

Mrs. Grant was born in Wiltshire, England, in 1865, and was christened Amanda Middleton. She received her education in that country, and lived in the Old Country until 1886, when she travelled to Ontario and married George H. Grant. Her husband had served five years in the British Army in India and upon getting his discharge he travelled to Ontario. Mr. and Mrs. Grant were married in St. Catharines and lived in Ontario until March 21, 1888, at which time they pulled up stakes to come West.

The summer of 1888 Mr. and Mrs. Grant spent farming near Wetaskiwin, and the following year they moved to the Milton School District, where they homesteaded. Here they lived until 1920, at which time they moved to Morningside, where Mrs. Grant now resides. Mr. Grant, well-known through the Lacombe district, died in 1931.

Mrs. Grant can relate many interesting stories of the old days in this district, and we were very glad to hear her.

Members the days when Morningside was a booming small town with hotel, general stores and a growing trading center for its immediate district.

Mr. and Mrs. Grant had seven children, one of whom was killed in action in the Great War. Those living are Mrs. E. Feward of the Milton District, living on the farm which her mother and father homesteaded in 1899; Mrs. William of Blue Ridge, Alta.; Charlie, Ponoka; Morris, Calgary, and Henry of Barhead. There are nine grandchildren.

## Weddings

CARTER—SHRETS

One of the interesting weddings of the season was solemnized on Tuesday at 2:00 o'clock at the home of Mr. and Mrs. George Sheets, when their oldest daughter, Margaret L., was united in marriage to Mr. Floyd Carter, only son of Mr. and Mrs. C. B. Carter of the Lincoln district, northwest of Lacombe. Rev. A. L. Carr performed the ceremony and the wedding march was played by Miss Sheila Cameron, aunt of the bride.

An attractive afternoon frock of blue figured crepe with matching accessories was chosen by the bride for her wedding, and her bridesmaid, Miss Gwen Reid, wore a pretty blue crepe. The bride's travelling costume consisted of a blue-knitted suit with navy accessories. Mr. Dale Blackburne attended the groom.

Following the ceremony, guests were seated for the wedding lunch at a table made very festive with yellow candles and daffodils and centered with a three-tier wedding cake. Spring flowers provided the decorative scheme for the rooms.

After a short wedding trip, the young couple will reside on the geese farm, northwest of Lacombe.

Robert Evans has undergone an operation on his toes and is home from school for the week.

There will be a play presented by some of the Chilgwell young people in the school on April 14.

They are hoping to have a big turnout, as the proceeds will be spent for our own district.

The Wall Papers we are showing are extra nice this year and the prices no higher. Come in and look over our patterns. We have a large stock. —Lacombe Furniture Store.—Adv.

## Clive

(From Our Own Correspondent)

**CLIVE**—We hope this news reaches the press in time for publication this week as our train was delayed on account of snow last week, so our news did not get in the paper.

Axel Westling and R. N. Longstreet were Calgary visitors last week, returning home on Monday.

Lawrence Williams and Frank Allison returned home Monday from Oshawa, Ont., trying out a new Pontiac car, hocking snowbanks.

Frank says he walked ahead of the car with a scoop shovel all the way from Saskatchewan.

**Journey to Edmonton**

W. H. Dilts and sons, accompanied by Mrs. Longstreet and daughter Gertrude, motored to Edmonton Sunday. The Dilts returned the same day but Mrs. Longstreet and Gertrude are staying over in the city for a time.

The Young People of Clive presented their play, "A Bargain in a Bargain," in Ponoka on Tuesday night; at Tees on Wednesday night and Clive on Friday night.

James Ackley has rented the Parady farm on the highway southwest of town.

On Saturday last week, J. L. Walters and Sons loaded seven Shorthorn bulls and E. L. Reynolds twelve white-faces for the Calgary Spring Show and Sale.

The Church of England ladies' supper and concert, held in the L.O.O.F. Hall on Wednesday, Mar. 23, was a decided success. The proceeds totaled nearly \$50.

The adjourned District Meeting of District No. 29 L.O.O.F. was held at Clive on the evening of Mar. 28. District Deputy Grand Master George Thomas of Mirror presided over the meeting, at the close of which he surrendered his office to A. Heald of Clive, who will hold the office for the ensuing year.

Mr. and Mrs. M. H. Dilts motored to Edmonton last week. Mrs. Dilts remained in the city for a few days.

Mr. and Mrs. E. L. Reynolds were Calgary visitors last week. W. C. Williams has taken over the Massey-Harris agency from T. A. Brereton and has moved into R. B. Mill's house in downtown Clive.

Glen Morrical has taken over the dairy business from A. R. Wickenburg and is supplying the town with milk.

Los Angeles Times: A western daily tried going without a society page, but soon quit. Subscribers with children at college had no way of telling when the boys were home.

**NUTS FROM PINE CONES**

Pinon, a southwestern variety of pine tree, produces a small, sweet, edible nut.

One 35¢ 1/4 Pint No. 51 Enamel and one 75¢ Brush, while they last, both for 10¢ at Lacombe Furniture Store.—Adv.

**Tuesday, 8 p.m.—Bible Study.**

**CHRISTIAN SCIENCE**

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Are Sin, Disease, and Death Real?"

One of the Scriptural quotations contained in the Lesson-Sermon is Revelation 12:10, "And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ." One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is: "Salvation. Life. Truth, and Love understood and demonstrated as supreme over all, sin, sickness, and death destroyed."

## Spruceville

(From Our Own Correspondent)

**SPRUCEVILLE**—There have been quite a number of aluminum dinners given in the district, Mrs. Boyd Crocker, Mrs. C. E. Burton and Mrs. Dave Boden all being hostesses.

Mr. and Mrs. Johnnie Hutchison and Mr. and Mrs. D. Boden motored to Calgary Monday.

Tuesday morning Mr. and Mrs. O. S. Young, motored to Edmonton for a couple of days.

The Cal Club Dance, held last Friday, was a great success. The hall was crowded, and the five-dollar prize was won by Miss Lucille Prizell.

Mrs. Young entertained the Southward family to supper last Thursday evening.

On Monday night there was a party at the hall in honor of Mr. and Mrs. J. M. Southward, which is described elsewhere.

**Visitors to Olds**

Mr. and Mrs. Barnes, accompanied by Mr. and Mrs. Boulter, left for Olds Tuesday to attend graduation day at the Olds Agricultural College, which their respective sons, Morris Barnes and Dick Boulter, are attending.

Another new car in the district: Mr. Barnes is driving a new Pontiac.

The Juniors are planning a dance Easter Week. Watch for further announcement.

Mrs. Olive Bell and her son, Mr. H. Saunders' sister, is visiting her sisters, brothers and father, Mr. Alraham Saunders, for a few weeks.

We are very sorry to learn that Mrs. W. R. Barker is confined to bed with an attack of the flu. It seems too bad as she only so recently returned from an Edmonton hospital.

**Has Poisoned Hand**

Irvin Gottschlich is suffering from a poisoned hand. George Marshall returned from Winfield. Let us hope that we now may be able to keep our Juniors here for a while; we have lost too many during the past 18 months.

Wanted: Stoves, Ranges, Heaters, Furniture, anything of value. Spot cash paid. See J. R. Marshall on Railway St., Lacombe.

## Blackfalds

(From Our Own Correspondent)

**BLACKFALDS**—H. McLennan went down to Calgary early last week to take in the Bull Sale, and Mrs. McLennan joined him later in the week. Mr. and Mrs. McLennan, with Mr. and Mrs. Lorne Bell, also visited Calgary by car over the week-end.

Roy Miller is now the proud father of a baby girl, who was born at the Lacombe Hospital on Wednesday, Mar. 30. Both mother and daughter are doing well.

Next Sunday the Crusaders are to take charge of the service at the United Church. They gave a taste of what they will do at last Sunday's service when, for the first time in years, they provided a much needed choir, and acquitted themselves splendidly.

Next Sunday's service merits a good attendance.

**Baby Suffers Injury**

Baby Olive Bell fell and cut her eye last week, and an infection set in, causing the eye to swell so badly that she was unable to see through it. We are glad to report that she is now making good progress.

Last week's blizzard did but little damage in the village except to injure some house plants; and in one or two cases, some potatoes in cellars. As we write, it seems that we have winter back again, with a heavy fall of snow that has lasted two days.

"Now, Billie," said the foreman's little boy, addressing the blacksmith's little boy, who had come over for a frolic, "we'll play Sunday School. You give me a nickel every Sunday for 10 months, and then next Christmas I'll give you a 10-cent jing or candy."

**FORD OFFERS TWO NEW CARS in the low-price field**

Right—the Standard Tudor Sedan  
Below—the De Luxe Fordor Sedan

There are two new Ford cars for 1938—the De Luxe and the Standard—differing in appearance, appointments and price—but built to the same high standard of mechanical excellence.

Both are big, impressive cars, and thoroughly modern in appearance. Both have the famous Centre-Poise Ride, Ford Easy-Action Safety Brakes, and the other distinctive Ford features.

Both bring you the basic advantages of the 85-horsepower Ford V-8 engine.

V-type 8-cylinder engines were used only in expensive cars before Ford made them available in The Universal Car. Eight cylinders give great smoothness and flexibility. Compact V-type construction leaves more room for passengers and luggage.

Both new cars are economical to operate. Economy has always been a Ford tradition. The facts of Ford V-8 economy are confirmed by the findings of owners, who report 22 to 27 miles per gallon of gasoline. Value is also a Ford tradition.

Both cars, in proportion to price, represent true Ford value. The De Luxe costs slightly more than the Standard but provides extra style. De Luxe closed Sedan body type has considerably more passenger room and luggage space.

More people bought the 1937 Ford V-8 than any other 1937 make. It was a good car. But these are better cars, because Ford improvement goes on constantly. You'll realize that when you see and drive either new Ford V-8 for 1938.

## To Speak Here

**DR. HENG CHIH TAO**, who will speak at the Avalon Theatre on Monday night, April 11, at the showing of the vivid talking pictures, "China Strikes Back" and "Shanghai Bombed." The proceeds of the collection to be taken will be used for the purchase of medical instruments to aid victims of aggression in China. The meeting is under the auspices of the Canadian League for Peace and Democracy. It starts at 8:15 p.m. and will no doubt be planned to a packed house. It deserves the co-operation and sympathy of the people of the town and district.

**HURT AT TEES** Dan McMillan received a very nasty fall late Monday afternoon when he stepped on a piece of snow-covered ice. It was thought for awhile that some bones might be broken but the present symptoms are of a severe twist and bruised hip and side.

**Do not overlook the fact that** you might guess the correct number and get a \$9.95. Congoleum Rug Free at Lacombe Furniture Store—Adv.

## Sees Big-Time Hockey Games

On his way to his native Sweden, Eric Hagglund stopped off long enough in the East to take in a few big league hockey games as he figured he would not get much of this fast sport at home. Writing to his friend, Gerald Crown, who received his letter last Saturday, "Eric" tells of the thrill he got in watching a game between Boston Bruins and Toronto Maple Leafs.

Commenting on the game, he says: "Apps has more speed on the ice than a new Ford," and he thought Broda a knockout as a goalie. He happened to travel on the same train as the Canadiens and Black-Hawks and had an opportunity to look them over. Babe Siebert, he says, "is 6 ft. 3 and looks like the back of a barn."

He also saw one of the Allen Cup play-offs between Sudbury and Toronto Goytzeers, as well as a good junior game.
